FAIRWINDS

IN MUKWONAGO

Nestled amid the glacial hills of southwest Waukesha County is the Village of Mukwonago, described by an early settler as “the most beautiful area he had ever seen.” This is home to Fairwinds, a family-oriented neighborhood that has it all – from the safe and family-fun convenience of an on-site village park, to an open space corridor with a natural setting of ponds and meandering multi-purpose trail.

With convenient access to Hwy 83 and I-43, Fairwinds complements the classic friendly Midwest atmosphere of Mukwonago where local shopkeepers offer excellent service and personal attention. This is a wonderful neighborhood within an inviting community – a place homeowners are proud to call “home.”
